

Dragon / Y Ddraig
Jensen Owners Club, South Wales

February 2008

Welcome to the first newsletter of '08, and straight over to Ed...

The beginning of a new year is always, I think, a time to look forward, a time for planning, a new project or some new venture. Maybe that place you meant to visit and never have, and of course our individual New Year resolutions.

Our JOC South Wales area inaugural meeting was on 25th January 2004 and took place at the Cider Mill Nantyffin, Crickhowell and by tradition the first meet each following year has also been at the Cider Mill. So it is again.

Our cosy room, very cosy with eighteen members already confirmed! has been booked for Sunday 24th February. I do hope to meet up with many friends both old and new I look forward to hearing any ideas you may have for the new Jensen year ahead. By coincidence, the Corvette classic car club also have a meet at the Cider Mill on the same day as JOC - The car park could prove to be very interesting! All Jensens are very welcome.

Hapus in Jensen
ED.

There's not much for me to add to Ed's piece there really, suffice to say that the Cider Mill meet is traditionally the one at which we try at least, to plan the year ahead. So, whilst it would be great to see as many faces, old and new at the meet, if you cant make it in person, please do let us know your ideas for what you would like to see happening during 08. Whilst we are of course welcome to new events being announced during the year, as they often are, this is the best opportunity for you to make your area of your club what you want it to be. As there will be an American flavour (or should that be flavor?) to the next meet, perhaps I could be permitted to paraphrase a well known US President – ask not what your club can do for you, but what you can do for your club.

Looking forward to seeing you soon.
Rich
